Xyli-Tots Juniors Kit

Caries is the #1 childhood disease according to the CDC, so why not use products that focus on promoting good oral health? The CariFree Xyli-Tots Juniors Kit contains a complete homecare routine for your younger patients. Assuring kids are cavity-free for a lifetime with the proven benefits of fluoride, xylitol and CariFree's patent-pending pH+ technology. Products come in great flavors that will be loved by all ages

Juniors Kit contains one each of the following: Anticavity Rinse, Oral Neutralizer Gel, Mouth Spray and one sample Lollie. Anticavity Rinse is available in Watermelon Wiggles or Grape Giggles flavors.
