Xyli-Tots Mouth Spray

Caries is the #1 childhood disease according to the CDC, so why not use a product that focuses on promoting good oral health? CariFree Xyli-Tots Mouth Spray is xylitol-rich, easy to administer, safe to swallow and comes in a great flavor kids love. Xyli-Tots Mouth Spray fights cavities with xylitol and neutralizes the mouth with CariFree's patent-pending pH+ technology. A fun, yummy dose of xylitol kids will look forward to.

Available in Grape Giggles flavor. Each box contains four .405 fl oz (12 mL) spray bottles, with approximately 100 sprays per bottle.
